at the 1st French Para Standing Tennis tournament  
June 18 and 19, 2022

The Castanet-Tolosan Tennis Club will organize the first Para Standing Tennis tournament in France on June 18 and 19, 2022. This tournament will take place during the final stages of the open tournament organized each year by the club.

The matches will be played in the club's facilities located a few kilometers from Toulouse (outdoor courts and two indoor courts).

Over the two days of the tournament, each participant is guaranteed to play at least 3 matches. It is planned to accommodate 12 to 16 players. Use of yellow balls and two rebounds permitted for above-knee amputee and equivalent players. Subject to later modifications, the matches will be played in two winning sets (4 games with tie-break and super tie-break in 10 points for the 3rd set).

Competitors who so wish can be accommodated free of charge with members of the club. All meals will be covered by the organization. Any journeys between station or airport can be provided by club volunteers.
